Banker · 40+ years, retired as General Manager, Corporate Credit and as Chief Risk Officer, Risk Management, SyndicateBank · MBA, MA (Economics), LLB, CAIIB

A PFC resident since September 2020, settled in Bengaluru since 2004. He spent more than forty years in banking, in a range of roles, retiring as General Manager for Corporate

Credit and as Chief Risk Officer in the Risk Management Department at SyndicateBank. He says plainly that he never intended to involve himself in how the association is run, and that recent events changed his mind. His strengths are the ones a career in credit and risk leaves behind: reading a set of accounts properly, testing what a contract actually commits us to, and asking what could go wrong before the money is spent rather than after.
