Corporate lawyer · 20 years running legal and compliance for multinationals · BSL, LLB; advanced certification in finance, IIM Kozhikode

A PFC resident since 2020, living here in a joint family. A corporate lawyer with twenty years running legal and compliance functions inside multinationals, with an advanced finance certification from IIM Kozhikode alongside her

BSL and LLB. For about two years she co-convened a children's programme, running weekly play-and-learn sessions as community service. What she wants from the association is that it communicates and lets people take part: that it meets its statutory and governance obligations and is ready for the apartment legislation Karnataka has in the pipeline; that there is a whistleblower channel for reporting wrongdoing; that the subcommittees are open to far more residents than they are now; and that there is more here for the children to do.
