IT and enterprise architecture · 20+ years in delivery, consulting, product and practice management · TOGAF certified; Certified Technology Officer, Queensland University of Technology; Stanford Ignite

Twenty years and more in IT — project delivery, consulting, enterprise architecture and the

management of large programmes — with a specialism in information and data management: data protection, AI and machine learning, big data analytics and knowledge management. He is TOGAF certified, a Certified Technology Officer through Queensland University of Technology's executive programme, and has been through the Stanford Ignite entrepreneurship programme. His work has run across retail, banking, telecom, insurance, healthcare and manufacturing, and as Practice Head and Principal Architect he has led mixed teams of architects, research scientists, data scientists and analysts. Leading a business analytics centre of excellence he ran more than thirty-five consulting engagements, filed twenty-five invention disclosures, and set up around ten innovation labs and advanced technology research centres for clients. He has patents filed in information management, and book chapters and conference papers to his name.

FIVE COMMITMENTS

- 01 Water infrastructure & safety
- 02 Financial prudence
- 03 Civic life & cleanliness
- 04 Transparency & community engagement
- 05 Long-term planning & policy

Five commitments

01 Water infrastructure & safety

- Make safe and reliable water supply a continuing priority, with systematic quality monitoring.
- Strengthen preventive maintenance and repairs of WTP, STP, plumbing, electrical and other critical infrastructure.
- Prioritise fire safety, security, and emergency preparedness.
- Pursue groundwater recharge measures.

02 Financial prudence

- Strive to maintain a stable CAM and adopt a stringent policy for reserve fund utilisation.
- Introduce internal audit mechanisms and quarterly financial reporting.
- Optimise OPEX to reprioritise the expenditure schedule.
- Strengthen the procurement policy by introducing a comprehensive and stringent competitive bidding process.

03 Civic life & cleanliness

- Strictly enforce common area usage and littering policies.
- Work towards a practical and sustainable solution for lift movement and congestion during peak timings.
- Support meaningful sports, cultural and educational initiatives, with a better balance between vibrant community events and noise levels.
- Facilitate much-needed amenities within the community, including the restaurant.

04 Transparency & community engagement

- Hold monthly meetings for resident feedback.
- Provide residents with the right to inspect major contracts, subject to legitimate confidentiality requirements.
- Strengthen decision-making using resident subject-matter expertise through focused EC subcommittees.
- Better representation for PFC before the apartment federations.

05 Long-term planning & policy

- Maintain a contractual and compliance calendar covering licences, insurance, audits, filings and renewals.
- Drive engagement with Prestige to expedite all unresolved handover-takeover concerns.
- Strengthen readiness for the impending Karnataka apartment law.
- Create an effective whistleblower mechanism for reporting governance, financial and compliance concerns.
