BALLOT
NUMBER

Consultant · 38 years in leadership roles across multinational companies · Now advising clients in and around Bengaluru

An owner at PFC since 2022. His working life ran to thirty-eight years across multinational companies, in a succession of leadership roles, and since stepping back from full-time service in 2022 he has worked as a consultant to a

small number of clients in and around Bengaluru. What that career taught him, he says, is the worth of integrity, discipline, teamwork, communicating plainly and seeing a thing through to the end. Accountability, transparency, fairness and being reachable are what he asks of an association, and what he offers in return.
